I. POLICY

It is the policy of Children's Community Mental Health Services and Wraparound Milwaukee Program to serve the population of severely emotionally disturbed individuals who are in mental health crisis and at imminent risk of out-of-home placement, and to reduce the need for institutional placement of severely emotionally disturbed individuals who are in crisis and at imminent risk of out-of-home placement.

Children's Mobile Crisis serves all children and families of Milwaukee County, with emphasis on individuals with mental health disabilities and complex needs. The Team provides information and referral, crisis services, and short-term case management services.

II. PROCEDURE

- A. Children's Mobile Crisis is available by phone, 24 hours a day, and is available to come to where needed between the hours of 7AM to 10PM, Monday through Friday, weekends and holidays. Children's Mobile Crisis can be reached at **(414) 257-7621**.
- B. Children's Mobile Crisis must have legal guardian approval before providing any crisis services except when brief crisis assessment is needed, when a youth presents as dangerous to self or others.
- C. Prior to provision of services CHILDREN'S MOBILE CRISIS CONSENT FOR TREATMENT (*Found on website under Care Coordination Frequently Used Forms*) must be signed by the legal guardian and youth if aged 14 or older. When/if completed by the legal guardian, the above forms are entered and uploaded into the Consent Tab within the Client's Electronic Medical Record (Synthesis). Screeners will obtain the Consent for Treatment at the beginning of an enrollment in Children's Community Mental Health Services and Wraparound Milwaukee and Care Coordinators will obtain annually thereafter.
