owen's place

Owen's Place is a free community resource center for young adults ages 16-24 years old who want encouragement and support on their path to independence.

Our mission is to provide young adults with resources and skills to develop positive plans for the future.

Peer coaches and resource specialists work alongside young adults to develop the leadership skills, confidence, and life skills that will empower them to take the ownership of their lives. Peer coaches and resource specialists have lived experience and can be a valuable resource in the recover process.
