

YOUTH CONNECT

Youth Connect (YC), is a program of Children's Community Mental Health Services and Wraparound Milwaukee. Youth Connect (YC) is a short-term, 60 to 90 days, intensive Crisis Care Coordination program that serves youth and families with a focus on preventing and responding to mental health crisis in an effort to reduce in-patient hospital stays. A Youth Connect Crisis Care Coordinator (YCCC) and Coach work with the youth and family to provide crisis planning and response, community connections to address factors which contribute to overwhelming stress that leads to crisis, and provide a bridge to enrollment in other Children, Youth and Family Services programs if appropriate.

Participation in the Youth Connect Program is 100% voluntary for those who are willing to seek support and meet the minimum eligibility requirements:

- A Youth living in Milwaukee County
- Youth up to the age of 23 years old
- Youth not already involved in another program or system, i.e. Wraparound SOC Programming, Child Welfare, Youth Justice, Disabilities Services, etc.

Youth Connect will assist with the following:

- Identify the needs goals and actions that will be addressed during enrollment
- Identify community-based supports that YC plans on connecting with the family.
- Identify Peer Support needs that will be addressed.
- Identify ways to address the barriers to accessing support: transportation, insurance status, wait time for appointments, communication assistance.
- Create a transition plan to the next point of assistance
- Include a warm handoff to that next resource.

For more information, please contact the **Children's Community Mental Health and Wraparound Milwaukee Resource and Referral Line** at **414-257-7607**.

VISION

To help build healthy and strong communities by enhancing children & families' ability to meet life's challenges and to foster resiliency & hope for a better future.

Resource and Referral Line

414.257.7607

Línea de Recursos y Referidos: 414-257-7607 *Marque 2 para Español*

Children's Community Mental Health Services & Wraparound Milwaukee offers an array of programming and services for **youth between the ages of 5 and 23**, who are in need of support with behavioral or mental health needs.

To make a referral, please have the caregiver/legal guardian contact the Resource and Referral Line at 414-257-7607.

Programming is voluntary and assessments are done at no-cost to the family.

Youth must be Medicaid eligible.

Screeners will work with the family to determine if the youth meets the enrollment criteria for the following programs:

- **Wraparound / REACH**
- **FISS**
- **CORE**
- **Comprehensive Community Services (CCS)**
- **Youth Connect (YC) or**
- **offer resources** for support & services within the community.
